What is MC-DUG?

Music City Data Users Group

Nashville's community for data professionals focused on SQL Server & the Microsoft Data Platform.

Who it's for: DBAs · Developers · Data Engineers · Analysts · Architects · Anyone learning data

Topics: SQL Server & Azure SQL · T-SQL & Performance · PowerShell & Automation · Data Engineering & Warehousing · Career Growth

Come for the data. Stay for the community.

Code of Conduct

We're all here to learn and grow together.

Please keep things:

- **Respectful** — treat everyone with courtesy
- **Professional** — keep discussions constructive
- **Inclusive** — everyone belongs here
- **No spam or solicitation**

Full Code of Conduct:

conduct.musiccitydata.org

Other Microsoft Communities in Nashville

Here are the Microsoft Nashville groups:

- ▶ **Nashville Power BI User Group**

Also covers Fabric topics — Power BI is part of Microsoft Fabric

meetup.com/nashville-modern-excel-user-group

- ▶ **Microsoft 365 Users Group of Nashville & Knoxville**

meetup.com/m365usergroup

- ▶ **Nashville Microsoft Azure Users Group**

Part of Azure Tech Groups

meetup.com/the-nashville-microsoft-azure-users-group

New Speakers Welcome!

Interested in presenting but haven't done it before?
We'd love to help you get started. Here are some easy ways to ease in:

- ▶ **Lightning Talks** — 5–10 minutes on a tip, tool, or lesson learned
- ▶ **Short Session Before the Main Talk** — A 15–20 min opener to warm up the room
- ▶ **Full Presentation** — When you're ready for the full stage

No experience needed — just a willingness to share!

Thank You to Our
Host & Sponsor

Vaco by Highspring

5501 Virginia Way, Suite 120 · Brentwood, TN

Thank you for the space, refreshments, and community support!
